

Daniel Robinson & Sons and Peasgood & Skeates Annual Charity Golf Day 2026 **Thank You** **£48,000.00 was raised!**

To be shared equally between four amazing Hospices in the area...

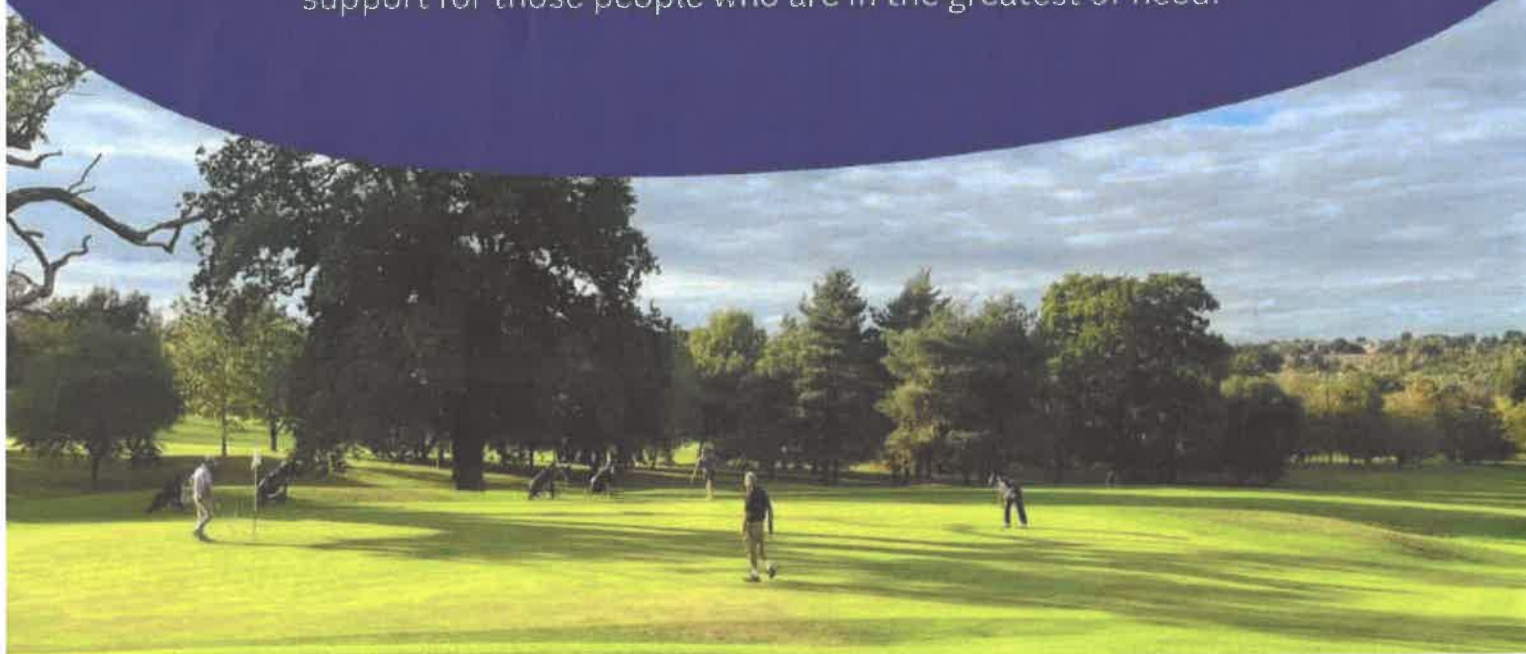

Together, we made a difference!

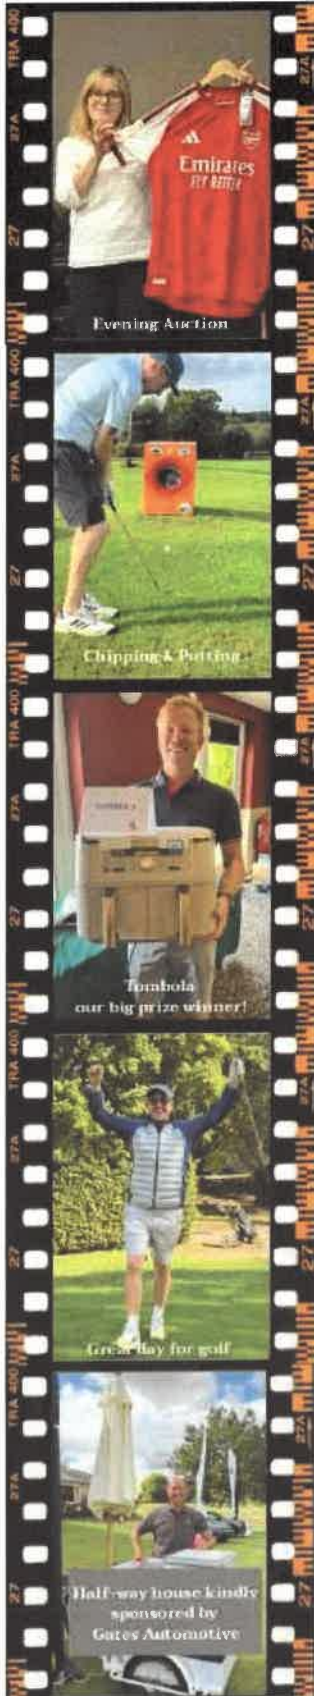

Our 23rd Charity Golf Day, held at Colne Valley Golf Club, was a really enjoyable event and we are delighted to say that it was another huge success, but we couldn't have done it without the support of the community, local businesses, sponsors and the golfers.

Thank you, whether you donated to the tombola, gave or bought an auction item, made a financial donation, sponsored a tee or a green, or played on the day.
We are incredibly grateful for your contributions.

This year's funds will be shared equally between four Hospices. Hospices provide vital palliative care services for local families, but they are all struggling financially. Every penny of these funds will be used to provide invaluable care and support for those people who are in the greatest of need.

One BIG day, 35 Teams, 140 Golfers, 18 Holes, Chipping, Putting, Tombola, Charity Auction...

Evening Auction

Chipping & Putting

Tombola
our big prize winner!

Great day for golf

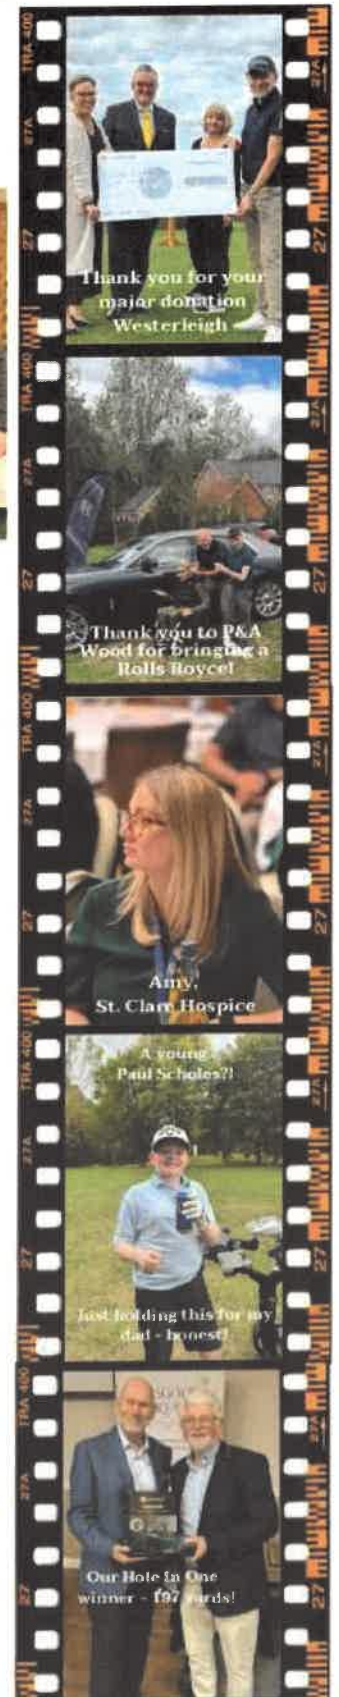

Half-way house kindly
sponsored by
Gates Automotive

Above left, second place 'Bradnam's Fairway Finders'
Above right, third place 'GSF 2'.

21st September 2026

To the Members of Colne Valley Golf Club

Annual Charity Golf Day 2026

I am writing to thank you most sincerely for once again giving up your course to host our Annual Charity Golf Day.

All those who attended had a fantastic day, with 140 golfers playing, many of whom hadn't visited Colne Valley previously. The day before the event was very wet for setting up, but thankfully the weather improved and we had a beautiful sunny day, which helped to create a great atmosphere.

Thanks to some excellent support, we raised a fantastic £48,000, which will be shared between four Hospices, Farleigh, St Clare's, Isabel and Arthur Rank. Most Hospices are struggling financially with continuing cuts from the NHS, the bulk of their income has to come from charitable donations. Unfortunately, this situation is resulting in staff redundancies, cuts in the number of beds available and reductions in community-based services; which is a great loss to those people who desperately need dedicated professional palliative care.

We appreciate that even a sum of this kind is a drop in the ocean, but every contribution helps and we will use this achievement to share the key message, 'please support your local Hospice'.

Yours sincerely,

Gary A Neill BCA, F.SAIF
